The September Monthly will be two rounds of 50-cent skins. We'll start the first round at 9:00am SHARP. We'll then break for lunch and start a second round immediately after.

We'll be playing both rounds on an alternate course designed by Steve Chino.

The most you can lose per round is \$9.00. The second round is optional. The club will not be charging anything for the entry fees, instead Svea will have the grill set up and TCL will be selling food and beverages for club fund-raising.

There is no pre-registration for this event, just turn up and play!

This will be random draw for groups.

If you have any questions, contact Steve via phone or email!

Hope to see you all there! This is going to be BIG FUN!
